

PGA Junior Golf Academies at Viera East Golf Club

It's time to make plans for the 2023 Viera East Golf Club Junior Summer Golf Academy season. The academy offers a program that will include professional golf instruction each day from **8:00 a.m. to 12:00 p.m.** under the guidance of a PGA golf professional. This summer we will be offering 4 weekly academy programs to meet your junior golfing needs.

Each Golf Academy session will include a week-long instructional schedule that will include time on the practice range to cover the fundamentals of the game including stance, grip and full swing drills. We will also cover pitching, chipping, sand shots and putting. Golf etiquette and rules will be stressed throughout each academy session. Each participant in the Golf Academy will receive an achievement certificate, snacks, and drinks at scheduled break intervals. If your junior golfer does not own clubs, an iron, wood and putter will be available for their use during the academy.
